

September 27, 2018

Crucible Industries LLC and the United Steelworkers union have announced the ratification of a two-year labor agreement in Syracuse, New York effective October 1. The current contract, which covers employees of Locals 1277, 14532-18 and 2924, was set to expire October 23.

The support of this new agreement will ensure the continuation of outstanding customer service and Crucible's performance as the most dependable and responsive company in the specialty steel industry.

Crucible is a leading global supplier of tool and stainless powder metal products.
